Item 4: Other Business Activities

Timothy Riedel Ayers is an independent licensed insurance agent with The Inspired Network Financial Group LLC. This activity creates a conflict of interest since there is an incentive to recommend insurance products based on commissions or other benefits received from the insurance company, rather than on the client's needs. Additionally, the offer and sale of insurance products by supervised persons of The Inspired Network Wealth Advisory LLC are not made in their capacity as a fiduciary, and products are limited to only those offered by certain insurance providers. The Inspired Network Wealth Advisory LLC addresses this conflict of interest by requiring its supervised persons to act in the best interest of the client at all times, including when acting as an insurance agent. The Inspired Network Wealth Advisory LLC periodically reviews recommendations by its supervised persons to assess whether they are based on an objective evaluation of each client's risk profile and investment objectives rather than on the receipt of any commissions or other benefits. The Inspired Network Wealth Advisory LLC will disclose in advance how it or its supervised persons are compensated and will disclose conflicts of interest involving any advice or service provided. At no time will there be tying between business practices and/or services (a condition where a client or prospective client would be required to accept one product or service conditioned upon the selection of a second, distinctive tied product or service). No client is ever under any obligation to purchase any insurance product. Insurance products recommended by The Inspired Network Wealth Advisory LLC's supervised persons may also be available from other providers on more favorable terms, and clients can purchase insurance products recommended through other unaffiliated insurance agencies.

Timothy Riedel Ayers is a registered representative of Park Avenue Securities LLC. From time to time, he will offer clients advice or products from those activities. Clients should be aware that these services pay a commission or other compensation and involve a conflict of interest, as commissionable products conflict with the fiduciary duties of a registered investment adviser. The Inspired Network Wealth Advisory LLC always acts in the best interest of the client, including with respect to the sale of commissionable products to advisory clients. Clients always have the right to decide whether or not to utilize the services of any The Inspired Network Wealth Advisory LLC representative in such individual's outside capacities.
